Basis of this report

Completed sale invoices only; cancelled bills are excluded.

Sale returns are NOT netted: these are GROSS sales figures.

Amounts are in rupees; weights are in grams.

STN.WT (ALL) and STN.VAL. (ALL) include diamonds; diamonds cannot be separated out.

A row named "Loose metal (bill header)" is metal sold on the bill header: taxed on the bill but not an item line. It is added so the bill agrees with its own stored figures.

ATTENTION: 1 invoice in this period does not agree with its own lines (rows marked UNRECONCILED). The difference is shown, not hidden; correct the bill before filing from this sheet.

CASH, BANK (cheque), CARD, ONLINE, PREVIOUS AMT, ROUND OFF, TOTAL DISC and GSTIN belong to the bill, not the line: shown on the first line of each bill and totalled once per bill.
